A manager is here to answer the phone around 6pm seven days a week. All other times, please leave a message and we will return your call as soon as possible. Reservation request messages left on the answering machine are honored in the order they are received. Please clearly state name, and number of guests in party, date requested and especially your telephone phone number. There may be times where an employee states that a manager must call back to confirm. Please understand this is done only to ensure proper table spacing times for the day requested. **We do not take reservations for UFC, NFL Football and other large events**, please contact us for details.

Reservation timing policy

The last reservation time we can accommodate is 8:30 PM. We will try to hold your table as long as possible but reservations can only be guaranteed for 30 minutes past the reserved time slot. Please understand that this is solely due to the amount of people we accommodate on a daily basis, particularly on the weekends.

Reservation booking requirements

We require a non-refundable deposit for parties only if a large food pre-order has been requested. All parties of 15 or more are required to review and sign the attached agreement prior to the arrival of your party. Please understand that this is to ensure that you understand our policies, dress requirement, and code of conduct expectations before arrival.
